COMPROMISE AMENDMENTS

A new Digital Agenda for Europe: 2015.eu (2009/2225(INI))

Compromise amendment 1 by EPP, S&D, ALDE and ECR

replacing Amendments 51 to 55, 57, 273, IMCO1, CULT 1 and CULT 2

Motion for a resolution

Paragraph 1

Motion for a resolution

1. Calls on the Commission to come forward with a proposal for *a comprehensive strategy* and action plan enabling Europe to progress towards an open and prosperous digital society; proposes that this new *framework* be called '2015.eu agenda' and be based on the model of the virtuous 2015.eu spiral;

Amendment

1. Calls on the Commission to come forward with a proposal for *an ambitious digital agenda* and action plan enabling Europe to progress towards an open and prosperous digital society *offering all citizens economic, social and cultural opportunities*; proposes that this new *digital agenda* be called '2015.eu agenda' and be based on the model of the virtuous 2015.eu spiral;

Compromise amendment 2 by EPP, S&D, ALDE and ECRy

replacing Amendments 57 to 74, 125 and 159

Motion for a resolution

Paragraph 2

Motion for a resolution

2. Stresses the importance of continuing efforts towards ubiquitous and high-speed access for all citizens and consumers, ***through the promotion of access to fixed and mobile Internet and the deployment of next-generation infrastructure***; emphasises that this requires policies that promote access on fair terms and at competitive prices for all communities, irrespective of location, thereby ensuring that no European citizen faces exclusion;

Amendment

2. Stresses the importance of continuing efforts towards ubiquitous and high-speed access ***to fixed and mobile broadband*** for all citizens and consumers, ***including by safeguarding competition to the benefit of consumers***; emphasises that this requires ***targeted*** policies that promote ***competition and efficient investment and innovation in new and enhanced access infrastructures and consumer choice in delivering*** access, on fair terms and at competitive prices for all ***citizens***, irrespective of location, thereby ensuring that no European citizen faces exclusion;

Compromise amendment 3 by EPP, S&D, ALDE and ECR

replacing Amendments 75 to 81 and 88

Motion for a resolution
Paragraph 3

Motion for a resolution

3. Believes that every EU household should have access to broadband Internet at a competitive price by 2013; ***urges the Commission therefore to carry out a review of the universal service obligations and*** calls on Member States to impart new impetus to the European high-speed broadband strategy, notably by updating national targets for broadband and high-speed coverage;

Amendment

3. Believes that every EU household should have access to broadband Internet at a competitive price by 2013; ***calls upon the Commission and the Member States to promote all available policy instruments to achieve broadband for all European citizens, including the use of European structural funds and of the digital dividend for extending mobile broadband coverage and quality;*** calls, ***furthermore,*** on Member States to impart new impetus to the European high-speed broadband strategy, notably by updating national targets for broadband and high-speed coverage;

Compromise amendment 4 by EPP, S&D, ALDE, ECR and GUE

replacing Amendments 82 to 84, 87, 112 and CULT 11

Motion for a resolution
Paragraph 3 a (new)

Motion for a resolution

Amendment

3a. Recalls that particular attention should be paid to rural areas, areas affected by industrial transition, and regions which suffer from severe and permanent natural or demographic handicaps, in particular the outermost regions; considers that an appropriate solution to ensure the effective supply of and access to broadband Internet by the citizens of these regions within an acceptable timeframe and at a reasonable cost is through wireless technologies including satellite which enable an immediate ubiquitous connectivity to the internet backbone;

Compromise amendment 5 by EPP, S&D, ALDE and ECR

replacing Amendments 85, 86 and IMCO 13

Motion for a resolution
Paragraph 3 b (new)

Motion for a resolution

Amendment

3b. Recalls that the universal service obligations correspond to the minimum set of services of specified quality to which all end-users should have access at an affordable price without distorting competition and imposing an additional burden on consumers and operators; urges the Commission to produce its long awaited review of universal service without delay;

Compromise amendments 6 by EPP, S&D, ALDE and ECR

replacing Amendments 89 to 104 and CULT 7
Motion for a resolution

Paragraph 4, 4a and 4b

Motion for a resolution

4. Underlines the importance of maintaining Europe as the mobile continent in the world and ensuring that 75% of mobile subscribers ***are 3G (or beyond) users*** by 2015; ***recalls the necessity to accelerate the harmonised deployment of the digital dividend without compromising existing broadcast services;***

Amendment

4. Underlines the importance of maintaining Europe as the mobile continent in the world and ensuring that 75% of mobile subscribers ***are mobile broadband user with access to high-speed wireless services*** by 2015;

4a. Recalls the necessity to accelerate the harmonised deployment of the digital dividend spectrum in a non-discriminatory manner, without compromising existing and enhanced broadcast services;

4b. Calls on the Commission to address through the Radio Spectrum Committee practical and technical requirements to ensure the timely availability of spectrum, with sufficient flexibility, to enable the deployment of new technologies and services such as mobile broadband; calls on the Commission to report on competition and spectrum market developments;

Compromise amendment 7 by EPP, S&D, ALDE and ECR

replacing Amendments 111, 113 to 124 and 126

Motion for a resolution

Paragraph 5

Motion for a resolution

5. Considers that, as Internet access rates are increasing, 50% of EU households should be connected to high-speed networks by 2015;

Amendment

5. Considers that, as Internet access rates are increasing, ***Member States should strive to achieve that*** 50% of EU households should be connected to ***very*** high-speed networks by 2015 ***and 100% by 2020 enabling a reliable and improved end-user experience in line with consumer expectations and needs; recalls that for achieving these objectives an appropriate policy framework is vital to enable private investment, while safeguarding competition and boosting consumer choice;***

Compromise amendment 8 by EPP, S&D, ALDE and ECR

replacing Amendments 128 to 138 and IMCO 16

Motion for a resolution

Paragraph 6

Motion for a resolution

6. Calls on Member States to transpose *the telecoms package* before the established deadline, *in particular the new provisions on Next Generation Access (NGA) networks and spectrum*, which *provide* for a *stable* regulatory environment *to stimulate* investment *while safeguarding* competition;

Amendment

6. *Urges Member States* to transpose *the new electronic communications regulatory framework* before the established *deadline and to fully enforce it and to empower national regulators accordingly; emphasises that the new framework provides* for a *predictable and consistent* regulatory environment *which stimulates* investment *and promotes competitive markets for ICT networks, products and services contributing to an enhanced single market for information society services*;

Compromise amendment 9 by EPP, S&D, ALDE and ECR

replacing Amendments 147 to 158

Motion for a resolution
Paragraph 7

Motion for a resolution

Amendment

7. Recalls that one aim of the new electronic communications regulatory framework is progressively to reduce ex ante sector-specific rules as competition in the markets develops and, ultimately, for electronic communications to be governed by competition law only;

deleted

Compromise amendment 10 by EPP, S&D, ALDE and ECR

replacing Amendment 160, 203, 214, 252 and CULT 9

Motion for a resolution
Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. Recalls that interoperability and accessibility are interlinked and are the bricks on which an efficient information society will be built upon, in order for products, infrastructures and services to interoperate with each other so that Europeans can access services and data independently from which software they use;

Compromise amendment 11 by EPP, S&D, ALDE and ECR

replacing Amendments 105, 161 to 164, 167, IMCO 4 and CULT 21

Motion for a resolution

Paragraph 8

Motion for a resolution

8. Insists that digital competences are crucial for an inclusive digital society and that all EU citizens should be empowered **with** the appropriate digital skills; emphasises the essential commitment to reduce digital literacy and competence gaps by half by 2015;

Amendment

8. Insists that digital competences are crucial for an inclusive digital society and that all EU citizens should be empowered **and have the incentives to develop** the appropriate digital skills; **stresses that digital competences could help disadvantaged people (i.e. elderly, low-income) to be included into society; calls on the Commission and on the Member States to tackle the disparities between the different groups of society in terms of digital literacy and internet use, the so-called emerging second digital divide;** emphasises the essential commitment to reduce digital literacy and competence gaps by half by 2015;

Compromise amendment 12 by EPP, S&D, ALDE and ECR

replacing Amendments 165, 169 to 172

Motion for a resolution
Paragraph 9

Motion for a resolution

9. Stresses that all primary and secondary schools must have high-speed Internet connections by 2015;

Amendment

9. Stresses that all primary and secondary schools must have ***reliable, quality Internet connections by 2013 and very high-speed Internet connections by 2015 with the support of the regional and cohesion policy where appropriate; emphasises that ICT training and e-learning should become an integral part of lifelong learning activities enabling better and accessible education and training programmes;***

Compromise amendment 13 by EPP, S&D, ALDE and ECR

replacing Amendments 166, 174 to 178, 180, IMCO 5, IMCO 9, CULT 20, CULT 22, CULT 24, CULT 25, CULT 27

Motion for a resolution
Paragraphs 10 and 10a

Motion for a resolution

10. Proposes the launch of a 'Digital literacy action plan' at EU and Member State levels, notably comprising: specific digital literacy training opportunities for groups at risk of exclusion; incentives for private-sector initiatives to provide digital skills training to all employees; a European-wide 'Be smart online!' initiative to make all students familiar with the safe use of ICT and online services; and a common EU-level ICT certification scheme;

Amendment

10. Proposes the launch of a 'Digital literacy **and inclusion** action plan' at EU and Member State levels, notably comprising: specific digital literacy training opportunities for **unemployed people and** groups at risk of exclusion; incentives for private-sector initiatives to provide digital skills training to all employees; a European-wide 'Be smart online!' initiative to make all students, **including those engaged in life-long learning and professional training**, familiar with the safe use of ICT and online services; and a common EU-level ICT certification scheme;

10 a. Notes the importance of equipping EU citizens with digital skills in order to help them fully exploit the benefits of participating in the digital society; reaffirms the need to ensure that the knowledge, skills, competence and creativity of the European workforce meet the highest global standards and are constantly updated; believes that digital literacy and competences should be central aspects of EU policies as they are the main drivers of Europe's innovation society;

Compromise amendment 14 by EPP, S&D, ALDE and ECR

replacing Amendments 56, 181 to 186, 198 and IMCO 10 (1-3 sentence)

Motion for a resolution

Paragraph 11

Motion for a resolution

11. Emphasises that all EU citizens should be made aware of their basic digital rights through a European Charter of citizens' and consumers' rights in the digital environment, **consolidating** and **updating** the Community acquis as appropriate;

Amendment

11. Emphasises that all EU citizens should be made aware of their basic digital rights **and obligations** through a European Charter of citizens' and consumers' rights in the digital environment; **believes that this Charter should consolidate** the Community acquis **including, in particular, users' rights relating to the protection of privacy, vulnerable users and digital content as well as guaranteeing adequate interoperability performance; reaffirms that the rights in the digital environment should be considered within the overall framework of fundamental rights;**

Compromise amendment 15 by EPP, S&D, ALDE and ECR

replacing Amendments 188 to 190 and CULT 10

Motion for a resolution
Paragraph 12

Motion for a resolution

12. Believes firmly that the protection of privacy constitutes a core value and that all users should have control of their personal data, including the 'right to be forgotten'; calls **therefore** for the adaptation of the Data Protection Directive to the current digital environment

Amendment

12. Believes firmly that the protection of privacy constitutes a core value and that all users should have control of their personal data, including the 'right to be forgotten'; **urges the Commission to take account not only of data protection and privacy questions as such, but especially of the specific needs of minors and young adults with respect to these questions;** calls **on the Commission to submit a proposal** for the adaptation of the Data Protection Directive to the current digital environment

Compromise amendment 16 by EPP, S&D, ALDE and ECR

replacing Amendments 191 to 200, IMCO 7 and IMCO 11

Motion for a resolution

Paragraph 13

Motion for a resolution

13. Calls on the *Commission to take further action* to fight cybercrime *and* spam and urges all Member States to ratify *the Cybercrime Convention*;

Amendment

13. Calls on the *Commission and the Member States to take further action to improve digital security, to* fight cybercrime and spam, *to enhance users' confidence and to secure the European Union cyberspace against all kinds of crimes and offences; calls on the Commission and the Member States to effectively engage and enhance international cooperation in this area; reminds Member States that almost half of them have still not ratified the Council of Europe Convention on Cybercrime and* urges all Member States to ratify *and implement this Convention*;

Compromise amendment 17 by EPP, S&D, ALDE and ECR

replacing Amendments 44, 187, 204 to 213 and CULT 8

Motion for a resolution
Paragraph 14

Motion for a resolution

14. Insists on safeguarding an open Internet, where citizens have the right to access and distribute information or run applications and services of their choice; calls on the Commission, the Body of European Regulators for Electronic Communications (BEREC) and the National Regulatory Authorities (NRAs) to monitor closely ***and enforce the harmonised implementation of the 'net neutrality' provisions;***

Amendment

14. Insists on safeguarding an open Internet, where citizens have the right ***and business users are able*** to access and distribute information or run applications and services of their choice ***as provided for by the new regulatory framework;*** calls on the Commission, the Body of European Regulators for Electronic Communications (BEREC) and the National Regulatory Authorities (NRAs) ***to promote the 'net neutrality' provisions, to monitor its implementation*** closely and ***to report to the European Parliament before the end of 2010; considers that EU legislation should preserve the 'mere conduit' provision established in e-Commerce Directive (2000/31/EC) as a crucial way of enabling free and open competition on the digital market;***

Compromise amendment 18 by EPP, S&D, ALDE and ECR

replacing Amendments 215 to 219 and IMCO 6

Motion for a resolution
Paragraph 15

Motion for a resolution

15. Calls on the Commission to propose before 2013 a long-term solution to the problem of roaming;

Amendment

15. ***Welcomes the rapid implementation of the legislation on roaming; underlines the further need for constant monitoring of EU mobile roaming prices, including those of data roaming; calls on BEREC to carry out an independent analysis on methods other than price regulation which could be used to create a competitive internal market for roaming; calls on the Commission on the basis of the analysis of BEREC and of its own review, to propose before 2013 a long-term solution to the problem of roaming in order to ensure a well-functioning, consumer-oriented and competitive roaming market thereby leading to lower prices;***

Compromise amendment 19 by EPP, S&D, ALDE and ECR

replacing Amendments 222 to 232, 234, 243, 244, IMCO 8 and IMCO 12

Motion for a resolution

Paragraph 16, 16 a (new) and 16 b (new)

Motion for a resolution

16. Calls on the EU institutions to remove the key regulatory obstacles to cross-border online transactions by 2015; calls on the Commission to *review* the Community acquis affecting the *online* single market and to propose targeted legislative action on key impediments;

Amendment

16. *Stresses that digital services can contribute to Europe making full use of the internal market; calls for an effective policy for a digital single market that make online services in Europe more competitive, accessible, cross-border and transparent providing the highest possible level of consumer protection and putting an end to territorial discrimination;* calls on the EU institutions to remove the key regulatory *and administrative* obstacles to cross-border online transactions by **2013**; calls on the Commission to *further its ongoing assessment of* the Community acquis affecting the *digital* single market and to propose targeted legislative action on key impediments;

16a. Calls on the Commission to consider measures to further increase the transparency of terms and conditions of cross-border online trade and the effectiveness of cross-border enforcement and redress; underlines that a successful development of online trade requires efficient distribution of products and goods and therefore highlights the need for a rapid implementation of the 3rd Postal Directive (2008/06/EC);

16b. Believes that Member States should ensure the necessary digital environment for enterprises, especially SMEs; calls on Member States to establish 'one-stop-shops' for VAT in order to facilitate cross-border e-commerce for SMEs and entrepreneurs and calls on the Commission to support the wide use of e-invoices;

Compromise amendment 20 by EPP, S&D, ALDE and ECR

replacing Amendments 235 to 242

Motion for a resolution

Paragraph 17

Motion for a resolution

17. Takes the view that, almost a decade after their adoption, the Directives **concerning** the legal framework for the information society (*i.e. the Data Protection Directive, Electronic Signatures Directive and Electronic Commerce Directive*) appear out of date due to the increased complexity of the online environment **and** the introduction of new technologies; believes that, while the legal issues arising from some Directives can be resolved through an incremental update, other Directives need a more fundamental revision;

Amendment

17. Takes the view that, almost a decade after their adoption, the Directives **constituting** the legal framework for the information society appear out of date due to the increased complexity of the online environment, the introduction of new technologies **and the fact that EU citizens data are increasingly processed outside of the EU**; believes that, while the legal issues arising from some Directives can be resolved through an incremental update, other Directives need a more fundamental revision **and that the adoption of an international framework for data protection is needed**;

Compromise amendment 21 by EPP, S&D, ALDE and ECR

replacing Amendments 245 to 251

Motion for a resolution
Paragraph 18

Motion for a resolution

18. Emphasises the potential value to citizens and businesses of the digital switchover of public services **and** calls on Member States to develop national plans for the digital switchover of public services, which should include targets and measures for getting all public services online and accessible to persons with disabilities by 2015;

Amendment

18. Emphasises the potential value **for** citizens and businesses of the digital switchover of public services (***e-government***) ***in order to enable a more efficient and personalised provision of public services; calls on Member States to seize ICT tools to improve transparency and accountability of government action and to contribute to a more participative democracy involving all socio-economic groups, raising the awareness of new users, and building up trust and confidence;*** calls on Member States to develop national plans for the digital switchover of public services, which should include targets and measures for getting all public services online and accessible to persons with disabilities by 2015;

Compromise amendment 22 by EPP, S&D, ALDE and ECR

Motion for a resolution

19. Emphasises the need to develop the free circulation of content and knowledge and to achieve, by 2015, a **simple**, consumer-friendly legal framework for accessing digital content in Europe, which would give certainty to consumers and **ensure robust solutions that are balanced and attractive for users and rights-holders**; urges the EU to accelerate the debate on copyright and to **establish** an EU copyright title under Article 118 of the Treaty on the Functioning of the EU **by 2013**;

Amendment

19. Emphasises the need to develop a **"Fifth Freedom" that enables** the free circulation of content and knowledge and to achieve, by 2015, a **convergent**, consumer-friendly legal framework for accessing digital content in Europe, which would **improve** certainty to consumers and **achieve a fair balance between the rights-holders' rights and the general public's access to content and knowledge**; urges the EU **in view of the pace of technological development** to accelerate the debate on copyright and to **analyse the impact of** an EU copyright title under Article 118 of the Treaty on the Functioning of the EU **to provide uniform protection of intellectual property rights throughout the Union, both online and offline**;

19a. Underlines that Internet, which offers many new opportunities for the circulation of and access to the products of the creative work, also poses new challenges to secure the European Union cyberspace against new kinds of crimes and offences;

19b. Believes that, in the light of new technologies, new digital delivery means and changing consumer behaviour, the EU needs to promote supply-side policies and to consider the further development of copyright licensing and clearance rules; calls for an improved, more efficient, and more consistent transparent rights management and clearance system for both musical and audiovisual works and for more transparency and competition between collecting rights management organisations;
