User-generated content and licensing for small-scale users of protected material

Room 4B

Conference Centre Albert Borschette,
Rue Froissart 36,
1000 Brussels

4 February 2013

14:30 – 17:30

AGENDA

1. Introduction by the Commission

The Commission Services will present the issues as identified by the Commission and envisaged to be tackled by this Working Group, and the objectives for the output of the Working Group.

2. Roundtable

All participants are requested to be prepared to discuss, including with reference to the draft mandate attached to this letter, their views on the following:

- *The scope of the issues*
- *Current problems in the market place*
- *Solutions already existing in the market place*
- *Solutions and outcomes towards which the Group should work*

3. Conclusions

On the basis of the discussion, the Group should seek to reach conclusions on the scope of the issues to be tackled and the outcomes towards which the Group will work; as well as on working timetable and methodology.
